

## ***REALTORS® Who Have Had an Escrow Not Close on Time Because the Lender Failed To Perform***

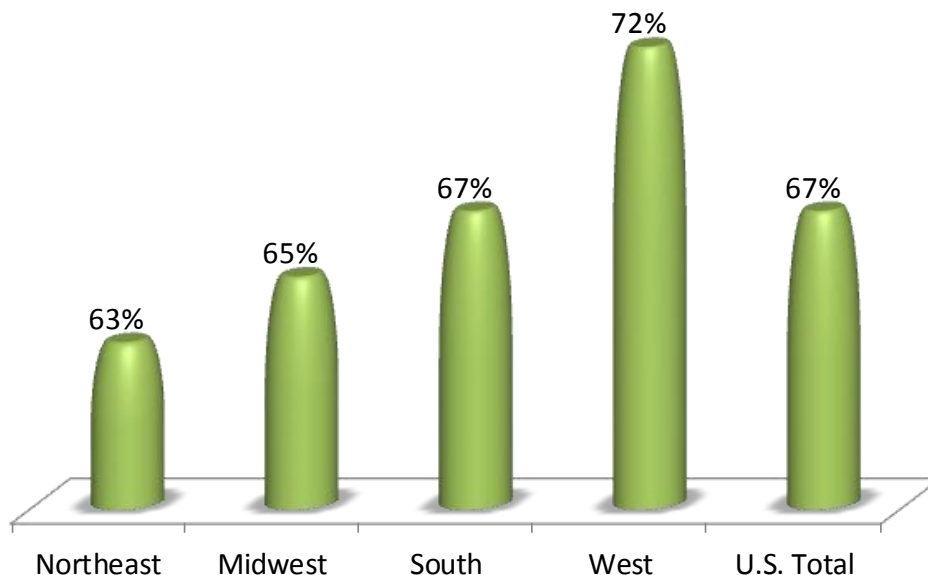

---

### **A 2013 telephone interview survey of 1,000 REALTORS® nationally**

- Residence real estate sales are difficult enough for REALTORS® in today's market already.
- Now mortgage lenders are making their job even tougher.
- Nationally 67% of all REALTORS® in the past one year have had one or more escrows not close on time because the mortgage lender failed to perform.

REALTORS® who had an escrow not close on time because the lender failed to perform

By U.S. Region for the past 12 months.
